

## **Inland Counties Association of Paralegals – May 2019**

ICAP's 2019/2020 Board of Directors are off and running for the year. We have had exciting MCLE's which included "How Social Media Can Help Win Your Case", "Pitfalls in Discovery and How to Avoid Them". On April 27, 2019, we had our annual Paralegal Day Luncheon which was attended by paralegals and their families. Everyone had a great time enjoying the park and getting to network with one another. ICAP's Educational Conference 2019, will be held on September 21, 2019 in beautiful wine country in Temecula, CA at the Temecula Business Conference Room. We are working diligently on growing our membership including more upcoming social and networking events.
