

Northeast Florida Paralegal Association, Inc. – May 2019

The Northeast Florida Paralegal Association (“NEFPA”) participated in its annual partnership with the Jacksonville Bar Young Lawyers Division to host “Holidays in January” at the Jacksonville Zoo in January 2019. This event provides holiday cheer to under-privileged children who are not able to enjoy it during the traditional year-end holidays in December. NEFPA hosted several activities for the children including cookie decorating, ornament making, and face painting. Donations were collected at NEFPA’s annual meeting and members volunteered to assist the day of the event.

NEFPA also hosts monthly CLE luncheons for its members and guests. These lunches are a great opportunity to get out of the office, network with local professionals, and earn CLE credit. On March 14, 2019, NEFPA hosted its annual “Bring Your Boss to Lunch” CLE luncheon with guest speaker Judge Timothy Corrigan of the US District Court for the Middle District of Florida. This special luncheon was also approved by The Florida Bar for attorney CLE credit.
