

Montana Association of Legal Assistants*Paralegals – May 2019

Montana Association of Legal Assistants*Paralegals (MALA) successfully held their annual meeting and seminar in March. Paralegals from across Montana joined MALA in celebrating the legal profession. The seminar theme this year was “Controlling the Chaos.” MALA presented a number of wonderful speakers who covered topics ranging from succeeding at trial, technology, creating a visual strategy for trial to learning the ins and outs of Montana’s newly implemented E-Filing system. These annual meetings and seminars are always a blast to be a part of.

Additionally, MALA offers scholarships for the CP and ACP exams. These scholarships are awarded during the annual meeting. MALA awarded one member with a CP scholarship during this year’s meeting.

MALA also offers monthly Brown Bag Webinars that have been tremendously successful throughout the years.

Lastly, in October of 2018, MALA held its annual CP Review Course. This CP Review had the highest number of attendees that MALA has seen in the last 15 years.

MALA looks forward to continuing to bring Paralegals from all over Montana together.
