On May 1, 2018 we participated in Law Day with the Omaha Bar Association and announced the winner of the Poster Contest which was coordinated by NePA. The theme this year was Free Speech, Free Press, Free Society.

NePA has partnered with the Omaha Bar Association to bring a half day educational conference entitled "Unity in Diversity: Working Together to Achieve Success" on June 5, 2019. Ryan Sallans, MA, a nationally known speaker on Transgender and Gender Diversity, will be our keynote speaker.

NePA continues to support the American Cancer Society in honor of NePA member cancer survivor. We are currently preparing for the June, 2018 Sarpy County Relay for Life. This is a cause which is especially close to the hearts of NePA members and we will continue to participate every year.
