

## **El Paso Paralegal Association – May 2019**

This year's EPPA's 9<sup>th</sup> Annual Golf Tournament Fundraiser was very successful netting the association with a \$9,194.09 profit. Our title sponsor, Express Records, was instrumental in our tournament's success, along with the entire Golf Committee and Board of Directors. This is by far our most profitable event for our association. Proceeds from our tournament will go towards our local community college scholarship fund, our adopted charity, Law N Paws, and providing quality CLE events to our members.
