

West Texas Paralegal Association - May 2019

The West Texas Paralegal Association (WTPA) has had a busy spring. We have gained 2 new members and have offered several CLE opportunities. In March we hosted a Spring Seminar with the State Bar of Texas Paralegal Division titled “\$#!T Happens- So What Now?” We touched on topics such as Medicaid Issues, Identity Theft, Traffic Stops for DWI and Car Accidents. We had a wonderful turnout and our speakers did a spectacular job. In May we are offering a CLE on Ethics. The WTPA is gearing up for Summer and will begin planning for our Fall Seminar. The following is a picture from our Spring Seminar.
