Qualifying as a NALA Testing Center

In 2010, the Certified Paralegal examination transitioned from paper-pencil to computer-based testing. Today, the examination is available in all PSI testing center locations, located in over 250 testing locations across the country.

Employers and schools that are not already designated as a PSI testing center may apply to NALA to become a testing center for the Certified Paralegal examination. This booklet describes the requirements to be designated as an authorized testing center for the Certified Paralegal examination and outlines requirements for proctors and examinees.

Why Serve as a Testing Center for the Certified Paralegal Examination? Certification as a paralegal is part of the career management tools of all wishing to join this profession and make the paralegal profession the focus of their career life. For employers, certification provides that NALA has verified the education and experience background of the certified paralegal and that the paralegal has demonstrated knowledge and skills required to complete the written examination successfully. The examination has surpassed its 40th year of research and development.

The subsequent five-year recertification requirements also allow paralegal employees to demonstrate a commitment to continuing education and continued professional development.

Recognition of the Certified Paralegal program of NALA is nationwide. In private law firms, those with the credential generally have higher billing rates which are accepted by courts when awarding attorney fee award petitions. In corporations, the Certified Paralegal program is utilized as a means of providing a growth path for the paralegal staff members. For all, the CP program provides a win-win commitment. Providing the opportunity for students and employees to take the Certified Paralegal examination on your premises offers the following opportunities:

For Schools:

- Provide a program for students to help them become more competitive in the workplace, enhancing and supporting the degree earned.
- Allow students and graduates to participate in the CP program at a lower cost. The PSI testing center charges could be significant.
- Provide a welcome service to students, graduates, and paralegals in the community.

For Employers:

- Provide a service to employees that allows them to participate in the CP program at a lower cost.
- Use the CP program, including study and preparation, as an employee training/development program.
- Use the CP program as a means of reward for employees.
- Use the CP program as a standard of excellence for non-lawyer services provided by the firm.

Qualifying as a Testing Center (Schools and Employers)

If your school has a relationship with PSI and is a PSI designated testing center, your school is automatically a NALA testing center. No further information is needed or required.

If you want to administer the examination independent of the PSI network, and your school has an agreement with PSI, check with your school administration. It may be possible for you to administer the CP examination as you wish. This would result in **substantial savings** for your students.

Schools offering paralegal training programs may apply to be authorized testing centers for the Certified Paralegal examination. The school should be a member of the American Association for Paralegal Education or offer a paralegal program that is approved by the American Bar Association. If the school does not meet either of these qualifications, graduates of the school must be eligible to take the Certified Paralegal examination.

Employers throughout the United States are recognizing the value of the Certified Paralegal program and the growth path this provides for all non-lawyer legal staff. The convenience of offering the examination in the location of the employer is appreciated by the staff and human resources personnel. Generally, employers with a computer lab or training rooms with computer terminals will qualify.

Students or employees desiring to take the Certified Paralegal examination must meet the requirements for taking the Certified Paralegal examination. The requirements follow. There are no changes in the eligibility requirements with this procedure.

Examination Eligibility Requirements:

1. Graduation from or completion of a paralegal program, or currently in the last semester or quarter of the program that is:
 - (a) Approved by the American Bar Association; or
 - (b) An associate degree program; or
 - (c) A post-baccalaureate certificate program in paralegal studies; or
 - (d) A bachelor's degree program in paralegal studies; or
 - (e) A paralegal program which consists of a minimum of 60 semester hours (900 clock hours or 90 quarter hours) of which at least 15 semester hours (225 clock hours or 22.5 quarter hours) are substantive legal courses.

NOTE: Under Category 1(e), an applicant may combine college hours from more than one institution. The applicant must have graduated from a paralegal program consisting of a minimum of 15 semester hours (or 225 clock hours or 22½ quarter hours.) Evidence of the minimum hours required under Category 1(e) must be provided with the application form.

2. A bachelor's degree in any field plus one year's experience as a paralegal. Successful completion of at least 15 semester hours (or 22.5 quarter hours or 225 clock hours) of substantive paralegal courses will be considered equivalent to one year's experience as a paralegal.

3. A high school diploma or equivalent plus seven (7) years' experience as a paralegal under the supervision of a member of the Bar, plus evidence of a minimum of twenty (20) hours of continuing legal education credit to have been completed within a two (2) year period prior to the examination date.

What are the testing center requirements?

Equipment. The examination is delivered via a secured internet connection. Through the internet connection, candidate responses to questions are recorded directly on the test server. The testing center is not required to download any programs or data.

Minimum requirements for examinee computers are:

- Internet connection speed of 256 KBPS minimum
- Internet Explorer 9 or higher as the standard browser
- Recommended screen resolution: 1280 X 1024
- Pop-up blockers must be turned off
- Browser history settings are set to check for new version of stored pages each time the web page is visited and disc space to use is no more than 8 MB
- Minimum screen configuration: 366 MHz Pentium II with 128 MB of RAM
- Operating System: Windows 2000, Windows XP or higher
- No plug-in software required (Flash, Virtual Java, etc)

Exam candidates are not allowed to access other web sites or programs during testing, nor may candidates load information on the workstation drives. It is the responsibility of the testing center and proctor to ensure compliance with this requirement.

The workstation environment must be:

- Quiet, well lit, comfortable temperature
- Visible so that proctors can easily monitor examinees
- Clear of personal items. A place should be provided to store personal items, or they may be placed at the front of the room with the proctor.

NALA reserves the right to refrain from using a testing center based on examinee or proctor complaints, or upon finding the testing center equipment and environment do not meet the above specifications.

Proctor Information. Authorized testing centers for the Certified Paralegal examination are required to provide proctors.

NALA requires that a proctor be designated and approved by NALA for each testing session. Qualified proctors include:

- Instructors
- Paralegal program directors
- Retired instructors or retired paralegal program directors
- Professional educators (other instructors at the school)
- Professional proctors routinely used by the school
- Attorney/employers
- Human resource professionals
- Members of NALA with the Certified Paralegal credential

Paralegals who do not hold the NALA CP credential are ineligible to proctor.

Proctors are required to complete a separate form submitted with the testing center application form. The purpose of this form is to identify proctors and record the proctor contact information. In addition, through this form, the proctor acknowledges that he/she is familiar with the workstations/computer lab the testing center will use, and that he/she will be available for further training by NALA, specific to proctoring the Certified Paralegal examination.

The form also lists proctor duties, an attestation that the proctor will follow the duties, and a confidentiality agreement.

NALA reserves the right to refrain from using a proctor based on examinee or testing center complaints, or non-compliance with the proctor duties and confidentiality agreement. NALA will work with the testing center designee to locate another proctor, however, if one cannot be located, the testing center cannot be an authorized center.

Authorized proctors may serve as proctors for the Certified Paralegal examination at any authorized testing center. Once a proctor is approved, a proctor form for subsequent testing windows is not required.

Examinees. NALA requests that the testing center submit the application forms for all examinees as a group for processing. This will ensure that the examinees will be assigned to the specific testing center.

If the examinees will be filing application forms individually, NALA will accept a list of examinees from a proposed testing center. Students or employees who submit their application form directly to NALA should be instructed to note on their application that they will be attending the testing center provided by your school or business. Application forms must include all supporting documentation of eligibility.

Communications about the qualifications of examinees and information needed to complete an application for the Certified Paralegal examination is directed to the examination candidates only. This is confidential information, and NALA is only able to discuss questions about the status of a specific examinee with the examinee.

All examinees must meet the requirements for taking the Certified Paralegal examination. There is no minimum participation requirement for NALA authorized testing centers.

This program is NOT for those applying for special accommodations available under the Americans with Disabilities Act. Those qualifying for accommodations under these provisions must attend a PSI testing center.

NALA requests authorized testing centers be available to others not identified by the school as examinees. This would include paralegals in the immediate community who wish to take the examination at the testing center, as well as new graduates, those who need to retake sections of the examination, or those who are new to the community. Testing centers are contacted by NALA on a case-by-case basis as these requests arise.

Fees and Charges

No payment to NALA is required to be an authorized testing center for the Certified Paralegal examination.

Facility and proctor fees are the responsibility of the testing center. This program allows that the testing center may charge examinees on a pro-rata basis for the testing center facility and proctor fees. It is the responsibility of the testing center to collect the fee, as well as fees from “no-shows” and dis-honored checks.

How to Apply

Applications are accepted year-round and examinees are encouraged to submit the application as soon as qualified.

The Knowledge Exam section of Certified Paralegal examination may be administered anytime during the testing window, with the exception of Sundays and Federal holidays. The Skills Exam section of Certified Paralegal examination will be administered in four testing windows – February, April, July, and October with the exception of Sundays and Federal holidays. However, times must be provided to NALA in advance to allow time for required materials to be sent to the testing center.

Testing centers must be designated a minimum of one month prior to the opening of a testing window. Testing centers are encouraged to submit the required applications well in advance of the deadline to ensure the center is approved.

The following is required:

- Completed Testing Center Application Form
- Completed Proctor Application Forms
- Completed Confidentiality Agreement Form for each proctor

Authorized testing centers for the Certified Paralegal examination are not required to re-submit application forms for each testing window. NALA will, however, check with testing centers on a regular basis to be sure the information is up to date.

Authorized proctors for the Certified Paralegal examination do not need to apply for each testing window. However, NALA will communicate regularly with proctors to ensure contact information is correct. New proctors are required to complete a proctor application form and be approved by NALA.

After Being Approved as a Testing Center

Scheduling the Examination Testing Times

The Center may schedule testing for the Knowledge Exam at any time - depending on facility and proctor availability, except Federal holidays and Sunday, when server maintenance is performed.

The Certified Paralegal Examination is divided into two sections:

The Certified Paralegal examination will consist of two required sections taken in the following order:

Knowledge Exam

- The Knowledge Exam will consist of multiple choice questions covering the topic areas listed in Appendix A.
- The Knowledge Exam will be administered on-demand, year-round at testing centers with preliminary result reporting upon completion.
- Candidates must successfully complete the Knowledge Exam in order to be eligible to take the Skills Exam.

Skills Exam

- The Skills Exam will consist of a written assignment; specifications are set forth in Appendix A.
- The Skills Exam will be administered during four testing windows each year: February, April, July, and October.
- 2 hours testing time will be provided for the Skills Exam.

Successful completion of both the Knowledge and Skills Exams is required to obtain the Certified Paralegal credential.

Those who appear at the testing center to retake a section of the examination are not required to follow a specific schedule and may take the section needed at any time the testing center is opened by the business or school. The tests are timed by the examination software, however, proctors will be provided the time schedule for their information. NALA must be

advised of the schedule adopted by the testing center a minimum of two weeks in advance of the first test session to provide sufficient time to ship the required examination materials.

Summary Of Details Needed For All Testing Centers

Planning for a testing window begins well in advance of the first day of testing. To provide for a smooth

testing session, information about the examinees, schedules, and proctors is needed. An e-mail message is sent to all testing centers requesting this information. This information must be received in order to provide the required information for the exam administration.

Deciding If the Center Is Open Only to Students or the Public

Testing centers may be open only to employees, students, graduates, or to all in the area who need to take the examination, as determined by the testing center. The following procedures will apply:

The Following Procedures Are The Same For All Testing Centers:

- | |
|---|
| <ul style="list-style-type: none">• NALA will e-mail testing materials to a designated examination proctor for arrival in advance of the first examination session. This information is REQUIRED for the testing.• Advise NALA of any changes in scheduling.• NALA will also advise the testing center contact if we hear from examinees regarding a schedule change.• Return all information to NALA as required. Exam results cannot be released without the information returned from testing centers.• All examination materials, including proctor and examinee credentials, are confidential. Care must be taken to ensure all information pertaining to the examination is properly secured. |
|---|

If your center is ONLY open to a group of students or others who are known to you:

- Your center name will not appear on the list of approved testing centers on the NALA web site.
- You will need to provide a list of examinees to NALA 15 days prior to the opening of the testing window.

NALA will verify that the examinee applications are approved for the window.

- You will need to advise NALA of the testing days and times for the examinees at least two weeks prior to the first testing session.
- It is recommended that the center establish a specific schedule – it is much easier to work with examinees if a schedule is published.
- NALA needs to know the schedule so that testing materials may be provided to the center in advance of the first testing date. The actual schedule is up to the center to set. NALA will make examination assignments available at any time during the testing window.

NALA requires all new proctors to participate in proctor training prior to the opening of the testing window. The training is web-based but must be completed prior to proctoring the exam and includes a link to notify NALA when the training has been completed. Proctor credentials will not be released without verification the training has been completed.

If your center is open to ALL eligible examinees:

- Your center name will appear on the NALA web site at: www.nala.org/certification/testing-centers-others
- Please provide the following information for the web site at least 15 days prior to opening of the window:
 - Contact person and e-mail address
 - Dates and schedule for exam sections
 - Cost (determined by centers)
 - Appointment notes
 - Cancellation notes
- Please provide a list of examinees to NALA at least 15 days prior to the opening of the testing window, **if known to you.**
- Examinees on the testing center list will not need to advise NALA further regarding their schedule.
- For those who are **not** known to you, examinees will submit a schedule to you through the NALA web site at <https://www.nala.org/certification/testing-centers-others>. From a link on the contact person's name, an e-mail window will open and the examinee will complete a schedule form. When completed, the e-mail will be sent to NALA and to the testing center contact at the same time.
 - NALA will verify if the person is an approved examinee. Please be sure you receive this authorization prior to scheduling an appointment from the examinee.
 - NALA will advise testing center the person is authorized to take the exam.

If an examinee contacts you without using the link, please contact NALA so we may verify eligibility and note their testing schedule.

NALA requires all new proctors to participate in proctor training prior to the opening of the testing window. The training is web-based but must be completed prior to proctoring the exam and includes a link to notify NALA when the training has been completed. Proctor credentials will not be released without verification the training has been completed.

When your center and proctors are designated as examination centers, we will ask if your center is open to all or just your students or employees.

Examinee Experience

Examinees at NALA authorized testing centers will experience the same rules and regulations required of examinees of PSI testing centers, including:

- Showing proper ID before entering test room
- Agreeing to the terms and conditions of test delivery

The Board Policy statement and Terms and Conditions documents are attached. This requires examinees to:

- Honor confidentiality of the exam
- Follow rules of proper conduct
- Follow instructions of proctors

Examinees will be provided their logon ID, password, and NALA account number by NALA. This information is required to login to the computer-based testing web site. The proctor will also have this information available to avoid delays in the event the examinee does not bring the information to the testing session. Further details will be provided to the testing center designee and proctor for review upon receiving approval from NALA as an authorized Certified Paralegal testing center.

Testing Terms and Conditions

You are asked to agree to the following terms and conditions related to computer-based delivery of the Certified Paralegal examination any time you sign in to the test web site. This information was provided to you with your examinee information from NALA.

PLEASE read the following carefully – some of the terms are duplicative of requirements of PSI testing centers, others are specifically required of all NALA examinees.

- I have read the "Policy Statement" and I am familiar with its provisions.
- I will be continuously monitored during my appointment.
- I consent to video and audio recording of my test session and to the examination of the video and/or audio recording of my test session in the event any questions should arise concerning possible violations of the procedures and/or rules of the test center. (May not apply to all centers.)

If I am observed using an electronic device, including a cell phone, in violation of these rules, it may be confiscated and sent to NALA for examination.
- If I have questions or concerns about the test environment, I will quietly notify the test proctor.
- I will report all problems related to the testing center, proctor, or computer delivery of the exam to the proctor immediately. If an examinee does not report problems with exam delivery immediately to the proctor, NALA will trust there are no problems, and there is no basis for complaint after the examination session has ended.
